This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application filed by Carroll Alewine, Jr. DBA Carroll Alewine, Jr. Trucking (the Transferor), whereby the Transferor seeks certain relief in the nature of the approval of the transfer of its Certificate of Public Convenience and Necessity to C. B. Rowe Transport, Inc. (the Transferee). In addition, the Transferor seeks to amend the Certificate by deleting the exclusion for transporting mobile homes so that the Certificate would then read as follows:

COMMODITIES IN GENERAL, AS DEFINED IN R.103-211(1):  
Between points and places in South Carolina.

The Application was later amended to read as follows:

COMMODITIES IN GENERAL, AS DEFINED IN R.103-211(1);  
ALSO EXCLUDING BANK COURIER COMMODITIES AND COMMODITIES  
COMMONLY TRANSPORTED IN ARMORED VEHICLES. Between

a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina.<sup>1</sup> The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings. Southeastern Freight Lines filed a Petition to Intervene. Southeastern Freight Lines later withdrew its Petition to Intervene.

Upon consideration of the merits of the instant Application, the representations contained therein, and the documentary evidence attached thereto, the Commission finds that: (1) the transfer of the Certificate will not adversely affect the service to the public authorized by said Certificate; (2) the Transferee is fit, willing and able to perform such service to the public under said Certificate; and (3) service under said Certificate has been continuously offered and reasonably provided to the public up to the time of filing of the Application.

The Commission also finds and concludes that the proposed transfer of the Certificate from the Transferor to the Transferee is in the public interest, and that the relief sought in the Application for transfer should be approved.

The Commission further finds and concludes that the request to amend the Certificate should be granted.

IT IS THEREFORE ORDERED:
